To Our Mail-Order Customers

Send at least 20% of the amount of order with order. Balance can be collected COD, altho this involves an additional cost to the customer. If possible send amount in full before shipping date as this saves you 20c to 50c collection costs and saves us a lot of clerical work.
We can ship by express, freight or auto-freight and customer pays the carrying charge when he picks up shipment. If sent by parcel post the carrying charge must be prepaid. If you wish parcel post shipment add 25c to any order up to \$2.50, or 10% of amount of order if it exceeds \$2.50. This applies only to bare-rooted stocks such as are listed in this price list. Evergreen shrubs with dirt balls cannot be shipped prepaid, hence cannot go by parcel post. We can ship these by express or auto freight. Shipments of goods listed herein start in mid-November and extend until March.
Guarantee—Nursery stock is living material. Whether it lives or not depends largely upon care and conditions that it has after leaving our hands. Hence we make no guarantee to replace any stock that does not survive.
We take every care to keep our varieties true. However, if any of our stock proves untrue to name we are ready to replace same free of cost, that is proven to be untrue to name, but in no case shall we be liable for sums greater than the original purchase price.

BEARING AGE FRUIT TREES

Fruit trees older than 2 years are a poor investment unless they have been root-pruned and transplanted and regrown. The few trees that we have to offer were grown 2 years, then dug and root-pruned and then grown on another one to 3 years. Such trees will generally thrive. Many of ours have already borne fruit. We offer a small quantity of the following varieties:
Plums—Santa Rosa, Green Gage, Hungaria, Burbank.
Pears—Bosc, Anjou.

APPLES

Yellow Transparent
Rome
Wagener

Price \$2.50 to \$4.00

DWARF FRUIT TREES

Dwarf fruit trees bear very young. Their fruit is large and they do not grow as large as standard trees, hence a greater variety can be grown in a small yard.
Dwarf Bartlett and Seckle pear trees, 4-year, each, \$4.00.
Dwarf Gravenstein, Rome and Red Delicious, each, \$2.00 to \$3.00.

ESPALIER FRUIT TREES

Espaliers are trees that are trained to grow on the side of buildings or fences. They take up little room and are attractive and productive.
We have a few 4-year-old espaliers in Gravenstein apple and Bartlett pear at \$6.00 each. We cannot ship these.

COMBINATION FRUIT TREES

Where space is limited it often pays to have a fruit tree with several varieties on a single tree. We offer the following combinations:

APPLES

Red Gravenstein—Red Delicious—King
Yellow Transparent—Gravenstein—Yellow Delicious
Red Rome—Red June—Red Gravenstein
Yellow Transparent—Red Delicious—Red Gravenstein
Wagener—Red Gravenstein—Yellow Delicious
Red Gravenstein—Red Rome
Red Gravenstein—King
Yellow Transparent—Yellow Delicious

Malaga—E. A fine white.
Worden—A. Blue.
Salem—A. Pink.
Golden Muscat—White.
Sweetwater—White.
Concord—A. Blue.
Zinfandel—E. A. Blue wine grape.
Price, 35c each

BLUEBERRIES

Blueberries do well if planted in soil well supplied with leafmold or peat. Sulphur should be added to make the soil acid. Plant two or more varieties for pollination.
Hybrid Blueberries—Heavy, four-year-old bearing plants. Two or more of these, or one of these and one of the named varieties, will pollinize each other. \$2.00 each; \$20.00 doz.
Rancocas—Large and early; 3 year; \$1.00 each.
Jersey—Large and late; 3 year; \$1.50 each.

THORNLESS BERRIES

We can supply Thornless Youngberry, Boysenberry, Loganberry and Evergreen blackberry.
Thornless Boysenberry and Loganberry—2-year transplants (available Nov.), 50c each; \$5.00 per dozen.
Tip plants (available only March and April) of all four of these berries, 25c each; \$2.50 dozen.

LOGANBERRIES

BOYSENBERRIES

YOUNGBERRIES

2-year transplants, 25c each; \$2.50 dozen.
Tips (March and April only), 2 for 25c; \$1.50 dozen; \$10.00 per 100. Write for quantity prices.

CASCADE AND PACIFIC BLACKBERRIES

Developed at Corvallis Experiment station, these are the newest and best in cane berries. These crosses between the Loganberry and the splendid small wild blackberry that is native to the Northwest, have much of the quality of the Blackberry and have small seeds and are black. They have the large size and productivity of the Loganberry, being even more productive. They are the finest pie berries grown. They are grown just like Boysenberry. They fruit the second summer after planting.
2-year transplants (available November), 35c each; 3 for \$1.00; \$3.50 dozen.
Tip plants (available March and April), \$1.50 dozen; \$10.00 per 100.

RED RASPBERRIES

Willamette—This is the newly introduced red raspberry from the Corvallis station. It is very large, productive and of good quality. Fruit is even larger than the large Newbourg. Good for canning, dessert, freezing.
2-year plants (supply limited), \$3.00 dozen.
1-year plants (available November until March), \$1.50 dozen; \$12.50 per 100.
Newbourg—Very large fruit and productive.
Taylor—Large and productive.
Lloyd George—Medium size, fine quality.
Cuthbert—Highest quality but not too productive.
2-year plants, \$2.00 dozen.
1-year plants, \$1.00 dozen; \$7.00 per 100.
St. Regis—Everbearing red raspberry.
2-year plants, \$2.50 dozen.
1-year plants, \$1.50 dozen; \$8.00 per 100.

BLACKCAP RASPBERRIES

Munger black raspberries.
2-year plants, 25c each; \$2.50 dozen.
Tips (March and April), 15c each; \$1.50 dozen.

CURRANTS

Fay and Perfection—The regular commercial red currants.
2-year plants, 25c each; \$2.50 dozen; \$17.50 per 100.
1-year plants, 20c; \$2.00 dozen; \$12.50 per 100. Write for 1000 rate.

GOOSEBERRIES

Oregon Champion—The regular commercial berry of Oregon.
1-year plants, 25c each; \$2.50 dozen.

STRAWBERRIES

We are tempted not to list strawberry plants, the price having been forced out of line due to high cost of field work. We do not grow our own strawberry plants and are not particularly looking for business in strawberry plants but are listing them to keep our list complete.

Strawberry Plant Prices

Marshall, Narcissus, Redheart, Oregon—50c dozen; \$3.00 per 100; \$20.00 per 1000.
Rockhill Everbearing—the runnerless best quality everbearing—\$1.50 dozen; \$10.00 per 100.
Gem Everbearing—75c dozen; \$4.50 per 100.

STREAMLINER

The sensational new everbearing strawberry.

Plants set in spring will start producing by August first and will continue to produce fine, large, luscious berries until heavy frost. Plants very vigorous (they make runners in contrast to Rockhill everbearing). The plant is very vigorous and the berries, which have a minimum of seed, are large and of very fine quality. Fine keepers. Start bearing about 10 days before Rockhill. Like other everbearing strawberries they require irrigation to produce a good fall crop. Supply limited. Order early.

Pink Florida Dogwood—One of showiest of flowering trees. Very slow growing.
Hawthorne
Paul's Scarlet Thorne — Red flowers in May.
Carriere Thorne—White flowers and very showy red fruits all winter.
3 to 5 year transplants, \$2.50 to \$5.00 each.

SHIPPING ORDERS

We can get trees up to 6 feet into parcel post packages if we are permitted to cut them back some. This does not injure fruit trees but we do not like to cut back shade trees. We advise that shade trees over 4 feet tall be shipped express or freight. For parcel post orders which we have to prepay add 25c to order under \$2.50 and add 10% to orders over \$2.50. Where we ship express or freight the buyer pays freight when he picks up his shipment.

We will have a price-list showing sizes and prices of above Camellias and others about November first. This list will include grafted Rhododendrons also. Send for it if interested.

EVERGREEN SHRUBS

This list does not cover evergreen shrubs. We have a very complete line of balled shrubs at our salesyard. These are too heavy for mailing and crating is too scarce to permit many shipments. Your best deal on this class of stock is to look them over at salesyard and make your own delivery.

We have no general printed list of evergreen shrubs. We do have a folder on Camellias and Rhododendrons. Send for it if interested.

NATIVE TREES AND SHRUBS

Many of our fine native trees and shrubs have been little used in the past because they were not obtainable from the nursery. Experienced planters know that stock dug from the wild seldom thrives. We offer what is probably the largest stock of nursery-grown native stock in the state. These plants are especially desirable in the development of country places.

Pinus Contorta—Coast pine. 30 to 36 inch trees, \$2.50; 3/4 ft., \$3.50; 4 to 6 ft., \$5.00 to \$6.00.

Pinus Ponderosa—The big pine of Eastern Oregon with very long needles. Price same as Pinus Contorta.

Sitka Spruce—Coast spruce. 2 to 3 ft., \$2.50; 3 to 4 ft., \$3.00.

Tauga Heterophylla (Western hemlock)—Handsome trees with drooping limbs. \$2.50 to \$5.00.

Pseudotsuga Mucronata—Douglas Fir. 3 to 4 ft., \$2.50; 4/5 ft., \$3.50.

Libocedrus Decurrens—Incense cedar. Trees 6 ft. to 10 ft., \$6.00 to \$10.00 each.

Thuja Plicata—Pacific red cedar. Especially desirable for tall hedges and windbreaks. Fast growing. \$1.50 up.

Chamaecyparis Lawsonia—Lawson cypress or Port Orford cedar. A fine evergreen. 3/4 ft., \$2.50; 4/5 ft., \$3.50 up to 15 feet.

The above natives are all sold with dirt ball and cannot be shipped parcel post. We have these in larger sizes up to 15 ft. in some varieties.

Red Flowering Currant—3/4 ft., \$1.00.

Ocean Spray (Holodiscus)—A showy deciduous shrub with creamy white flower plumes. Grows to 8 ft., 75c to \$1.50.

Vine Maple—A fine shrub for fall color. 4 to 5 ft. plants \$1.50.

Red Elderberry—The red berried shrub seen on the way to the Coast. 3/4 ft., \$1.00.

Oregon Grape—Evergreen balled plants, \$1.50 to \$3.00.

Native Dogwood—A fine flowering tree. Balled 5/6 ft., \$3.00.

Chittem Tree (Cascara)—6/8 ft. branched trees, \$1.25.

Oregon Ash—A tall growing tree that will endure the wettest of locations. 5/6 ft., \$1.00; 6/8, \$1.50; 8/10, \$2.50.

Oregon Maple (Big leaf maple)—Transplanted trees 6/8 ft., \$2.00; 10/12, \$3.00; 12/15, \$3.50.
